

Below is the process for how to get access to our on-site Internet option:

1. Turn on your Wi-Fi enabled device and select the Engage Access network.
2. Open a web browser (Chrome, Firefox, Internet Explorer, etc) if you are not automatically redirected to a sign up page. Click SIGN UP.
3. Fill out the required information to process your purchase. Please make sure all information is filled out correctly before clicking SIGN UP. Make sure you remember your email and password because you'll use this to log in.
4. After submitting your information, you will be connected to the wireless network. You will either be automatically redirected to the Internet, or you should open another browser window and log in with your email and password to begin using the service.

If you have any questions, please call 732.486.3217.

Thanks and have a great show!
